

Seneca Valley Junior Football Association North

www.svjfan.com

In Southwest Butler County, there is nothing more important than fostering our local sports teams. The Seneca Valley Junior Football Association North (SVJFAN) includes many of our local communities including Zelienople, Evans City, Harmony, Seven Fields, Cranberry Township, and Forward Township.

The SVJFAN is an IRS 501(c)(3) nonprofit organization that provides our local youth a safe environment to be physically active, learn valuable skills such as teamwork and collaboration, and make new friends. Our program includes flag football, tackle football, and cheerleading. Youth can start our program for flag football as young as 4 years of age and our program continues to age 13, depending on age and/or grade.

At SVJFAN, we work to ensure our programs remain accessible to all families, keeping costs as low as possible so that no family is deterred from participating. However, achieving this would not be possible without the support of generous partners like you. We invite you to sponsor our organization for the upcoming season. In return, SVJFAN will proudly feature your company as a sponsor at our home football games, providing valuable exposure to SVJFAN parents and the broader community.

Your sponsorship would directly benefit our youth by helping us fund some of the following:

- Football equipment
- Cheer apparel and equipment
- Flag football gear
- Field maintenance

By partnering with us, your company would support the development and growth of our local youth and gain recognition and goodwill within our community.

Please review the details regarding our sponsorship levels on the next page. If you have any questions or are interested in supporting SVJFAN, please contact us.
